[Despatch Abstract.]

Land - (South Kanara) - Mangalore - Mangalore Thota ν R.S. No.51/1 (part) - Transfer to the Fisheries Department - Sanctioned.

Extract from dev file Dev. 25873 I/38.

Copy of the letter from Director of Fisheries, No.2698-C/37-6., dated 20th January 1939.

Sub: Sri Gnanodaya Fisheries School - Shifting.

Ref: Development Memorandum No.25873-I/38-2 dated 8th November 1938.

The Inspector of Fisheries, Mangalore, reports that he made a search for a more suitable building for housing the Sri Gnanodaya Fisheries School at Hoige and that there is none among the existing buildings suitable for locating the school.

2. It is reported that one Mrs.Rodrigues, a rich land-lady at Mangalore, had some vacant land about 1/2 an acre in extent (reclaimed from the river) quite suitable as a site for a school buildings. But, the vacant site together with the buildings in the adjacent compound are understood to have been leased to a soap manufacturing company. This is the only private land suitable as a school site.

3. A few yards to the south of the Sri Gnanodaya Mandir lies the Government Marine yard compound in which it is reported there is ample un-utilized space close to the entrance. If permission can be obtained to put up a school building in the compound just near the entrance gate, the difficulty of finding a suitable site for the school will be solved. If this is not possible, the other alternative is to acquire the vacant site owned by Mrs. Rodrigues by applying the Land Acquisition Act. I solicit the orders of Government in the matter.

4. There is no likelihood of any expenditure being incurred in the current year on the proposal.

Revenue Dept.

O.M. No.1837-F/39-1, dated 12-6-1939.

Land - (S.Kanara) - Mangalore Marin yard compound - Fisheries School-

The Fisheries school at Mangalore which is now located in the Sri Gnanodaya Samaj building has to be shifted to a more suitable building in a less congested area. No existing building is suitable for locating the school. It is reported that there is ample unutilised space close to the entrance to the Government Marine yard compound which lies a few yards to the south of the Sri Gnanadaya Mandir and that the Marine yard is in the charge of the Revenue Dept. The Director of Fisheries has suggested that a school building may be constructed in the unutilised space near the entrance gate of the Marine yard. The Board of Revenue is requested to report whether there is any objection to the above proposal of the Director of Fisheries.

T.M.S.M.

To the Board of Revenue.

Copy of letter Ref.B.No.1909/39-3, dated 7th August 1939 from the Secretary, Board of Revenue, to the Secretary to Government, Revenue Department.

Sub:- Land (South Kanara) - Mangalore Marine Yard Compound - Fisheries School - Location - Report submitted.

Read:- Government, Revenue Department, Memorandum No. 1837 F/39-1, dated 12th April 1939.

Government, Revenue Department, Endorsement No. 1837 F/39-2, dated 1st June 1939.

Letter from Sri Diwan Bahadur M.V.Vellodi, B.A., Collector of South Kanara, D.Dis.No.3158/39, dated 18th July 1939.

Board's Reference B.No.1909/39-1, dated 29-4-39 and No.B.1909/39-2 dated 20-6-1939.

The site to which the Fisheries Department wants to shift the Fisheries School forms part of R.S.No.51/1 (T.S.No. 8-3-52/1) of Mangalore Thota village within the Mangalore Municipality. R.S.No.51/1 is a portion of the Government Marine Yard (coir godown compound) and measures 1.57 acres in extent. It stands registered as poramboke. The Inspector of Fisheries, Mangalore, has pointed out the site required for the school. It is marked X in the enclosed sketch and it measures 25 cents in extent. The Port Officer, Mangalore has no objection to this portion being utilised for the use of the school provided the Fisheries Department puts up a wall of laterite stones, not less than 6 ft. high, along the western and southern sides of the plot and keeps an entrance gate either at M or at N as marked in the sketch and also maintains the wall. The Inspector of Fisheries agrees to these conditions. I do not, therefore see any objection to the proposal of the Director of Fisheries to shift the school to the site in question.

REFERENCE:-

Submitted to the Government.

2. The Board agrees with the Collector and sees no objection to the proposal of the Director of Fisheries to shift the Fisheries School to R.S.No.51/1 of Mangalore Thot

P.T.O

Thota village subject to the conditions specified by the Port Officer, Mangalore to which the Inspector of Fisheries has agreed.

* * *

2. In para 2 of its reference on p.27 cf. the Board of Revenue agreeing with the Collector has stated that there was no objection to the proposal of the Director of Fisheries to shift the Gnanodaya Fisheries School to R.S.No.51/1 of Mangalore Thota village subject to the condition that the Fisheries Department put up a wall of laterite stones not less than 6 feet high along the Western and southern sides of the plot and also keep an entrance gate either at M or at N in the sketch and also maintains the wall.

3. Though the Board has not suggested any formal transfer of the land to the Fisheries Department, in para 2 of memo No.25873 I/38-9 Dev., dated 31-8-39 the Development Department have informed the Director of Fiheries that orders in regard to the ~~tax~~ transfer of the land in question to the Fisheries Department will be issued in the Revenue Department. Before issuing orders sanctioning the transfer the Board may be asked to state whether the transfer may be made. Subject to orders a draft memo is submitted for approval.

Dev Dept.

The draft order placed below may be accepted in this department.

Revenue Department.

To U.S.

The draft order may now issue. Relevant extracts of the notes and correspondence relating to the G.O. will be taken and the file returned to the Development Department.

The Board has no objection to the transfer of the portion of R.S.No 51/1 of Mangalore Thota village required by the Fisheries Dept. A draft order is submitted for approval. It may be sent to Dev for acceptance.
